Property Tax Revenue

Description

This indicator will have more importance for those agencies heavily reliant upon property tax revenues. As this revenue source is relatively stable and lags about two years behind changes in market conditions, this indicator can potentially depict the level of stability of an agency's revenue base.

Pension Payments

Description

This indicator depicts the relationship between the pension payments as a percentage of an agency's total revenues. Due to pending updates to pension reporting requirements, the Pension Payments indicator does not show data for 2015. GASB 68 revised and established new financial reporting for pensions effective for 2015. Effective beginning 2017, GASB 73 and GASB 82 amend GASB 68, although implementation may occur earlier. Therefore, updates to the Pension Payments indicator will not occur until full implementation of GASB 73 and GASB 82.
